

CURRICULUM VITA

RANDALL C. SWAIM

**Tri-Ethnic Center for Prevention Research
Department of Psychology
Colorado State University
Fort Collins, CO 80523
(970) 491-6961
FAX (970) 491-0527
e-mail: rswaim@lamar.colostate.edu**

EDUCATION

- Ph.D. May 1987, Colorado State University
Major Field: Counseling Psychology (APA Approved)
Dissertation: "The Links from Emotional Distress to
Adolescent Drug Use: A Path Model"
- M.A. June 1983, California State University, San Bernardino
Major Field: General/Experimental Psychology
Thesis: "The Prognostic Efficiency of DSM-III in
Schizophrenia"
- B.A. June 1977, California State University, San Bernardino
Major Field: Psychology
- 1967-1969, University of Redlands, Redlands, California
Major Field: English

PROFESSIONAL EXPERIENCE

- 1978-1983 Mental Health Clinician
San Bernardino Department of Mental Health
- Provided outpatient psychotherapy to caseload of chronically mentally ill adults; and general outpatients; served on community crisis team, responding to mental health crises, with responsibility to hospitalize individuals as needed; served as Certifications Hearings Officer with full responsibility for assessing individuals placed on 72-hour holds for longer term treatment and mental health certification; conducted conservatorship evaluations for geriatric patients.
- 1987-Present Licensed Psychologist (#1422)
State of Colorado
- Provide individual psychotherapy to adult clientele
Conduct psychological assessments on a contractual basis for Social Security Disability Determination Services
- 2013-Present Staff Psychologist, Harmony Foundation, Estes Park Colorado
- Provide psychological assessment for co-occurring disorders among clients in residential treatment for drug and alcohol treatment

1987-Present Research Associate to Senior Research Scientist
Director
 Tri-Ethnic Center for Prevention Research
 Department of Psychology
 Colorado State University, Fort Collins, Colorado

Serve as PI and Co-PI for NIH and other grants; responsible for supervision of research projects, statistical analysis of survey data, development of testing instruments, writing of technical and professional papers, supervision of research staff, field directors, field staff, and technical support staff.

1990-Present Affiliate Faculty
 Department of Psychology
 Colorado State University

Teach Ethics (PSY675), Statistics (PSY652), Research Methods (PSY655), and Structural Equation Modeling (PSY792) courses in doctoral counseling psychology program, supervise graduate student research (theses, dissertations)

Teach Psychology of Addiction Treatment (PSY360), Professional Issues in Addiction Treatment (PSY362), and Research Methods (PSY250), Honors Research Methods (PSY450) in undergraduate psychology program

2012 Service to Society for Prevention Research Award

TEACHING

2008 PSY450, Honors Research Methods

2007 to present PSY360, Addiction Treatment

2007 to present PSY 362 Professional Issues in Addiction Treatment

2007 to 2008 PSY 250, Research Methods in Psychology

2005 to present PSY 652, Methods of Research, Psych I (1st semester graduate statistics)

2005 to present PSY 655 Research Issues and Models

2000 to present PSY 792AV, Structural Equation Modeling

1997 PSY792AV, Substance Abuse

1989 to present PSY 675, Ethics and Professional Psychology Practice

1989 PSY 792C, Interpersonal Psychotherapy

1985 PSY100, General Psychology

RESEARCH AND PUBLICATIONS

- Stanley, L.R., Beauvais, F., Harness, S., & Swaim, R.C. (2013, conditional acceptance). Trends in \ substance use among American Indian youth living on or near reservations: Update, 2009-2012. *Public Health Reports*.
